Instructions
for Gratitude Cards:

1. Print the pair of sheets with your chosen design and color them with your favorite pens, pencils or crayons.

2. Fold the sheet along the vertical line so that the greeting is on the right inside panel.

3. Write a personalized message on the inside left panel, then sign your name below the provided message on the opposite (right) panel.

4. Fold the cover sheet with the larger graphic so that it's on the right outside panel.

5. Slip the signed sheet inside the cover sheet.

6. Once assembled, use a glue stick to adhere the sheets together.
