

Rangoli and Symbols Coloring Activity

Diwali

Festival of Lights

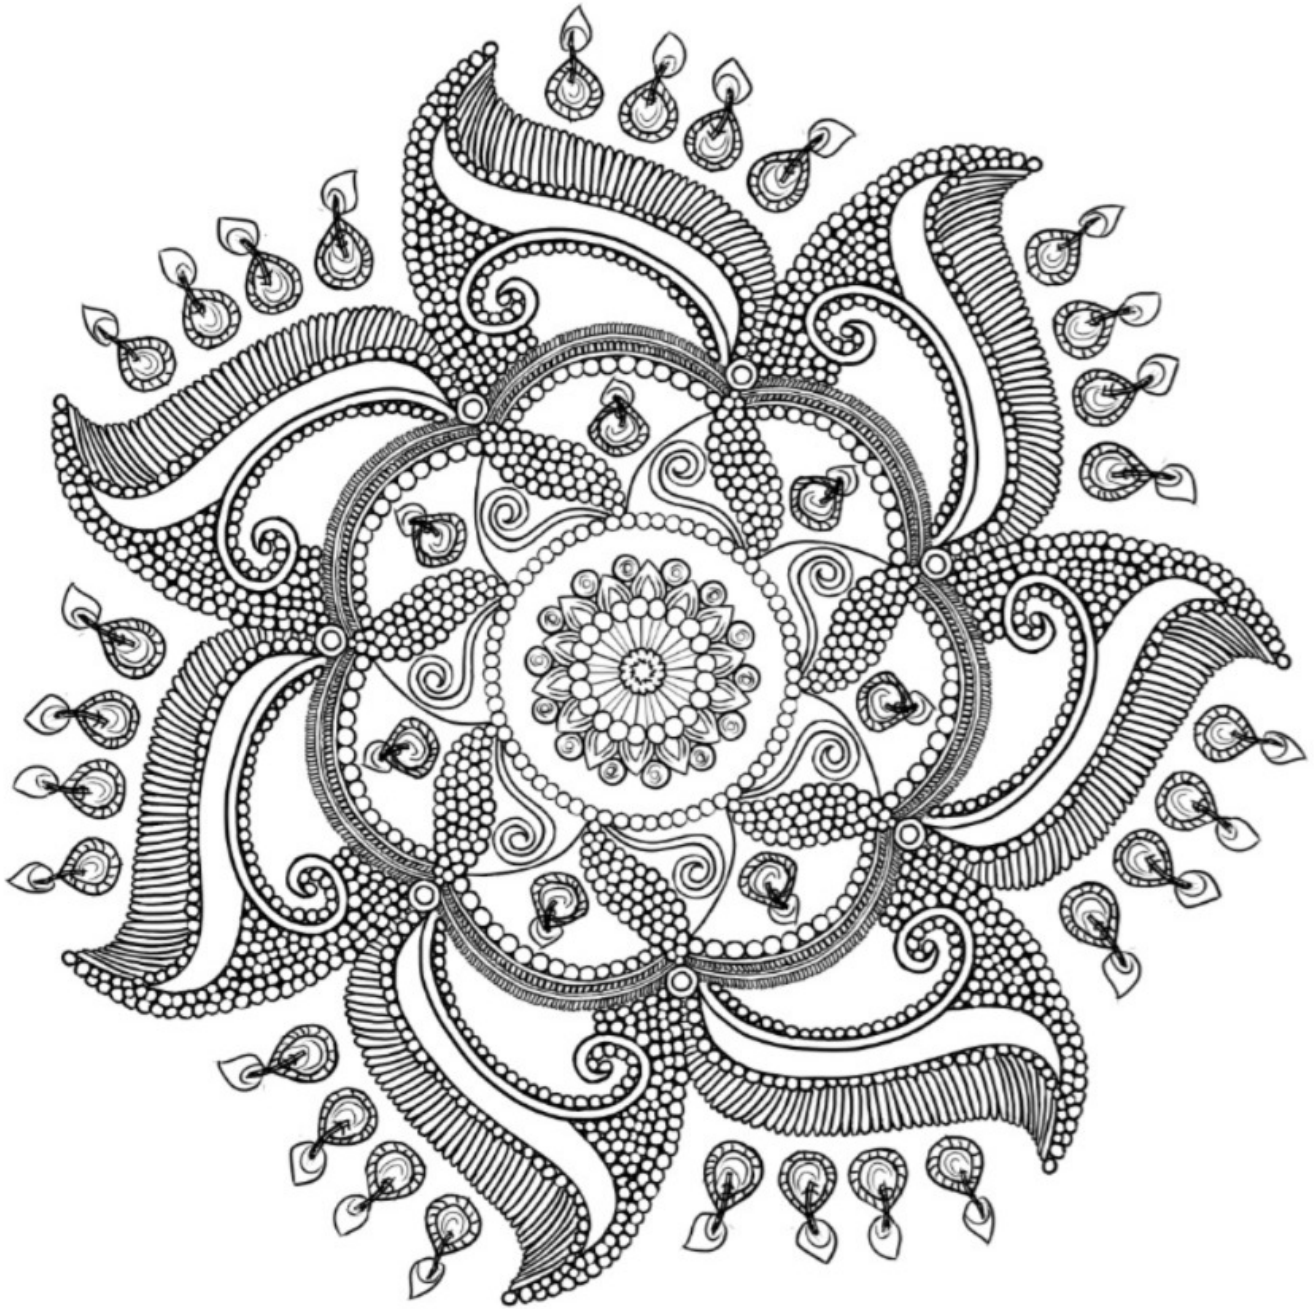

2025

This Month

What is Rangoli? Rangoli are traditional designs made during Diwali to welcome guests and good luck. Color in using bright, festive colors.

Rangoli are made with colored powders, flower petals, or rice arranged in beautiful patterns.

Families may worship Goddess Lakshmi and light diyas (oil lamps) to welcome prosperity while flowers beautifully fill homes.

At night, fireworks light up the sky while diyas glow below—symbols of light over darkness and good over evil.
